Bowling For Rhinos (BFR) benefits 3 rhino conservation projects conserving 4 species of rhino, their habitats, and hundreds of other endangered animals. The Bowling For Rhinos fundraiser is organized by volunteers who donate their time so 100% of all funds raised can go directly toward rhino conservation.

In Kenya we support the Lewa Wildlife Conservancy where our donations help protect the Black and White rhinos, as well as other animals native to East Africa. In Indonesia, AAZK supports the remaining Javan rhinos at Ujung Kulon National Park and the Sumatran rhinos in Bukit Barisan Selatan and Way Kambas National Parks.

Over 60 AAZK chapters participate in BFR throughout the U.S. raising over \$200,000 annually. The South Florida Chapter of AAZK has been active in Bowling For Rhinos since 1990. To date we have raised over \$40,000 toward the rhino conservation effort.

Help conserve the rhinos for tomorrow by registering to bowl today!
