Your arrival time is set for **6:15-6:30 p.m.** It is important that you be here during that time. When you reach the security gate, the guard may ask you to wait a few minutes until the parking lot is cleared of daytime visitors. Once security procedures are complete, the guard will direct you to the parking area and East Pedestrian Gate where you will check in. Note: Your prompt arrival is essential; **those arriving after 6:30 p.m. are not guaranteed entrance to the Zoo and may be turned away by security. (There will be no reimbursement.)**

PARKING INSTRUCTIONS

A staff member will greet you at the gate and direct you where to park. Gather all belongings that will be needed for the night. You may not return to your cars until the following morning. Please be sure to lock your car before you leave it (*Zoo Miami and the Zoological Society of Florida are not responsible for any damage to vehicles or for any items lost or stolen from any vehicles parked at the Zoo.*) If you need directions to Zoo Miami, please call 305-255-5551, or visit our website at www.zoomiami.org. After 6:30 p.m. we will close the entrance gates and you will not have access to your car until the next morning.

Weather: The Big Cat-Nap Campout proceeds, **RAIN OR SHINE!** There are **no refunds** for inclement weather. You will be outside during the Campout; so come prepared for unpredictable weather conditions!

There will be a check-in table at the East Pedestrian Gate where you will sign in. All registered campers **MUST** be listed on the roster and have proof of identification. The Zoological Society of Florida reserves the right to search any personal belongings prior to entry into Zoo Miami. The possession of prohibited items may be basis for expulsion from Zoo Miami grounds.

Liability: *Neither the Zoological Society of Florida (ZSF), Zoo Miami (ZM), Miami-Dade County (M-DC) or their employees will be liable to any Big Cat-Nap camper for injury or damage to person or property arising out of the use of Zoo Miami facilities during the Big Cat-Nap. All Big Cat-Nap campers and chaperones agree to waive any and all claims against the ZSF, ZM, M-DC or their employees, including any claims arising out of the negligence of the ZSF, ZM, M-DC or their employees, arising from the Big Cat-Nap campers' and chaperones' participation in this program and presence at Zoo Miami.*

Age Limits: Children must be at least 6 years old, in the 1st grade and pre-registered to participate, due to safety regulations. All adults may have to show picture ID and proof of age must be provided for each child.

Attire: There are no shower facilities provided. Bring appropriate attire for the weather, perhaps a raincoat and a change of clothes, and wear comfortable walking shoes and socks. Sandals or open toed shoes are strongly discouraged!

Cameras: Cameras are permitted. Flashes can be disturbing to animals whose night vision is sharper than ours, so your guide or zookeeper will let you know which animals can be photographed using a flash.

Cell Phones: Cell phones are permitted, however, usage is strongly discouraged unless it is an emergency.

Chaperones: The minimum number of chaperones for 4th graders and over is one per five children. (Groups with children in 1st-3rd grade require one adult chaperone per three children.) Chaperones must be at least 21 years of age and experienced in supervising children. *Chaperones are required to supervise children, remain with the group at all times, and maintain control of the children's behavior.* In the unlikely event that the chaperones are not maintaining supervision, the entire group may be asked to leave.

This is a family oriented program; appropriate behavior is required from **ALL** participants.

If any of these rules are disregarded the Zoo and ZSF reserve the right to refuse service, and may ask you and your party to leave the Zoo grounds without reimbursement.
